✓ THE MEDICINE MAN. ✓

Al Falfa's venture into a hair-raising business is soon disrupted when the horse drinks the medicine and bolts away with the wagon. A bird carries Al along by the hair but soon drops him. Meanwhile Milton Mouse and Thomas Cat have discovered mysterious foot-prints. Al drops into the scene, and the foot-prints turn out to be a tiger which chases Al and Thomas down a hollow stump, the entrance of a bears' cave.

As the bears start to roast Al, Tom runs back for help. Milton has charmed the tiger, used the hair- tonic to grow him a mane, taken off his stripes and transformed him into a lion. For this good turn, the tiger-lion races back to the bears' cave and rescues Al.
